"From the moment I sat in her chair, I felt seen, celebrated, and supported. Her energy is calm, creative and so deeply intuitive. Lexie has a gift—not only in the flawless artistry she creates, but in the way she makes you feel like your most radiant, empowered self..." Karen R.

"Not only did I look amazing, My makeup lasted all day even through a 7pm underwater shoot!" Tamara B.

RESERVING YOUR APPOINTMENT

Each appointment is thoughtfully tailored to your selected services, location, timing, and group size. Your booking details will outline pricing, including any applicable travel and parking costs. A 50% non-refundable booking retainer secures your appointment and reserves dedicated time with your artist.

To help us customize your experience, please share any sensitivities, accommodation needs, or product preferences in advance. Product availability varies by artist, and purchases made to accommodate specific requests may carry an additional charge.

For your convenience, booking retainers may be paid via Zelle, Venmo, ACH, PayPal, or credit card. Credit card payments are subject to a processing fee.

A LITTLE PREPARATION

A few thoughtful details help us personalize your experience and make the most of your time with your artist.

BEFORE YOUR APPOINTMENT

Please share a current, makeup-free photo in natural light and 2–3 makeup inspiration images. For hairstyling, include a photo with your hair fully down and 2–3 hair references. Tell us what you love, your everyday beauty routine, and anything you'd prefer to avoid.

SKIN & MAKEUP

Arrive with completely clean, makeup-free skin, including no lashes, liner, or residual mascara. Luxury skin preparation is part of your service; arriving bare-faced allows us to dedicate your appointment time to your finished look.

Please share any allergies, sensitivities, recent skin treatments or injectables, and past product reactions in advance. If you wear contact lenses, insert them before your appointment. You're welcome to bring your preferred lip color, personal mascara, or favorite products.

HAIR

Arrive with fully dry, day-old or slightly lived-in hair unless your artist advises otherwise. Wet or damp hair requires an additional blow-dry service, charged separately.

Planning to wear clip-in extensions? Let us know in advance so we can allow additional time, and bring them fully dry and brushed out, along with any hair accessories.

WHAT TO WEAR

Choose a loose shirt, button-down, or something easy to change out of without disturbing your finished hair and makeup. For bridal clients, we recommend wearing a white top similar to the style of your wedding dress.

PRIVATE LESSONS

Bring your personal makeup kit and brushes so we can explore what you already own alongside our professional kit.

YOUR COMFORT

Please let us know about any accommodation needs or preferences around photography and filming before your appointment. In-studio clients will also receive studio-specific arrival details and policies.

You don't need to have every detail decided. Bring your inspiration, and we'll create a look together that feels like you.
